INTERGOVERNMENTAL AGREEMENT
BETWEEN
THE STATE OF ARIZONA
AND
THE CITY OF PHOENIX

102074

THIS AGREEMENT is entered into 5 December, 2002, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") the CITY OF PHOENIX acting by and through its CITY MANAGER (the "City").

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-401 and 28-112 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.

2. The City is empowered by City Charter, Chapter II, Section 2.i to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the City.

3. The Arizona Corporation Commission is empowered by Arizona Revised Statutes Section 40-337 to participate in the funding of this project, and has authorized funds for this project.

4. Congress has authorized appropriations for the erection of automatic warning signals, automatic gate arms, plank crossings, pavement markings, and other appurtenances.

5. Such project within the boundary of the City has been selected by the City; the field survey of the project has been completed; and the plans, estimates and specifications for the project, have been prepared by the City and, as required, submitted to the Federal Highway Administration ("FHWA") for its approval.

6. The only interest of the State in the project is in the acquisition of federal funds for the use and benefit of the City by reason of federal law and regulations under which funds for the project are authorized to be expended.

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

II. SCOPE OF WORK

1. The State shall submit a program containing the aforementioned project to FHWA with the recommendation that it be approved for construction.

a. If such project is approved for construction by FHWA and the funds are available for construction of the project, the State with the aid and consent of FHWA will authorize the Railroad Company to proceed with the work covered by the State-Railroad Agreement and will request the federal funds.

b. Should some unforeseen conditions or circumstances increase the cost of said work required by a change in the extent or scope of the work called for in this agreement, the State shall not be obligated to incur any expenditure in excess of the amount of the City's deposit unless and until so authorized in writing by the City.

2. The City shall acquire, without cost to the State, the necessary right-of-way for this project and hereby certifies that all necessary rights-of-way for the project have been or will be acquired.

3. Once acquired, the City shall remove from the City right-of-way all unauthorized obstructions or unauthorized encroachments, either above or below the surface of the roadway, and hereby certifies that all obstructions and encroachments have been or will be removed therefrom.

4. The City shall not permit or allow any encroachments, except those authorized by permit, upon or private use of, the City right of way. In the event of any unauthorized encroachment or improper use, the City shall take the reasonably necessary steps to remove or prevent any such encroachment or use.

5. Upon completion of construction, the City shall provide, at its own cost, proper maintenance of the City's facilities, such maintenance (exclusive of maintenance by the Railroad Company of its own

facilities), may include, but is not limited to, traffic signals, signs, islands, curbs and markings necessary for the purpose of regulating, warning and guiding traffic.

6. The City shall mark and sign railway-highway grade crossings in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways, within 45 days after the railroad has completed its work; failing that, the State may proceed with the marking and signing thereof, the cost of which shall be borne by the City.

III MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement, nor for any resulting construction project. The City, in regard to the City's relationship with the State only, assumes full responsibility for the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost over-runs and construction claims. Such assumption of the responsibility by the City for the benefit of the State in no way acts as a waiver by the City for the benefit of the railroad company or any responsibility the railroad company has in the design, plans, specifications, reports, the engineering in connection therewith and the construction of the improvements contemplated, cost overruns and construction claims. The City shall require its contractors to name the State as an additional insured in the contractor's insurance policies. The City shall also require its contractors to name the State as an additional indemnitee in the City's contracts with its contractors. It is understood and agreed that the State's participation is confined solely to securing federal aid; that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the City and that to the extent permitted by law, the City hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, misrepresentation, directives, instruction or event arising out of the performance or nonperformance of any provisions of this agreement by the City, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation and attorneys' fees.

2. The cost of the design, construction and construction engineering work covered by this agreement is to be borne by FHWA, Arizona Corporation Commission and the City, each in the proportion prescribed or as fixed and determined by FHWA as stipulated in this agreement. Therefore, in the event that funds to match federal funds are not made available by the Corporation Commission, the City agrees to furnish and provide the State with City funds in an amount equal to the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. This agreement shall remain in force and effect for five years from the date of this agreement or until completion of the project which ever is the first to occur. The provisions in this agreement for maintenance of the project, shall be perpetual.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

7. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

8. All notices or demands upon any party to this agreement shall be in writing and shall be delivered

in person or sent by mail addressed as follows:

**AGREEMENT BETWEEN ADOT
& CITY OF PHOENIX -
IMPROVEMENTS TO
RAILROAD CROSSING - 27TH
AVENUE AT UPRC**

Request to authorize the City Manager to enter into an agreement with the State of Arizona through its Department of Transportation to upgrade existing railroad crossing warning equipment and furnish a concrete surface crossing at the railroad crossing on 27th Avenue at UPRC. The work will be done by railroad forces and City of Phoenix forces using Federal Funds, Arizona Corporation Commission Funds, and Arizona Highway User Revenue. The total project cost is \$197,814.00. The funding break down is as follows: Federal Aid Funds, \$186,539.00; AZ Corporation Commission Funds, \$685.00; City of Phoenix Funds, \$10,590.00.

The City will provide all right-of-way for this project at no cost to the State. The City will also remove all obstructions and encroachments from the proposed right-of-way at no cost to the State. Current plans indicate that no additional right-of-way is required for this project.

Upon completion of construction, the City shall provide for maintenance of items such as traffic signals, signs, islands, curbs, and marking necessary for the purpose of regulating, warning, and guiding traffic. The City shall also mark and sign railroad-highway grade crossings in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for streets and highways.
